## Accommodation

We require our International Students to live in an approved accommodation while in New Zealand. Private arrangements such as living in a flat or apartment will not be permitted. Homestay accommodation will be arranged by The Catlins Area School.

### Health and Travel Insurance

Most students are not entitled to publicly funded health services while in New Zealand unless they are:

- 1. A resident or citizen of Australia; or
- 2. A national of the United Kingdom in New Zealand; or
- 3. The holder of a temporary permit that is valid for two years or more.

If you do not belong to one of these special categories and you receive medical treatment during your visit, you will be liable for the costs of that treatment. It is compulsory to have insurance that will cover the cost of medical treatment in New Zealand for the duration of your stay in New Zealand. We also strongly recommend that you obtain insurance to cover your travel to and from New Zealand.
